Veda Samskruti is an inherent intellectual property of Bhaarata dEsham. It is the basic duty and right of every citizen in Bhaarata dEsham to protect this Intellectual property. Indian Constitution and Law provides provision for protection and preservation of its culture, its monuments, architecture etc.

The Chaturvedas said to have 1131 shaakhaas right up to the time of Aadi Shankaraachaarya and thereafter during last more than ten centuries, many shaakhaas are out of practice due to various reasons and presently only seven shaakaas are in the practice of Guru shiShya parampara.

There is a need to continuously preserve these available shaakhaas which may likely to disappear in future due to various external forces acting in the country vigorously with the power of money and global politics. It is time for the intellectuals of Bharata dEsham to wake-up and work collectively to protect and preserve Veda Samskruti of Bharata dEsham, by empowering the Youth of Bharat dEsham, the future care takers of this great Indian Heritage , with suitable education of our correct history and culture.

The above background lead to formation of this Veda Samskruti Samiti which is registered under Societies acts of Government of Telangana, with Regd. No. 961/2016 by Sri A.H. Prabhakara Rao, who is the Founder and President of the Samiti.
